

"Partridge in a Pear Tree"

Terra Parma
from the book

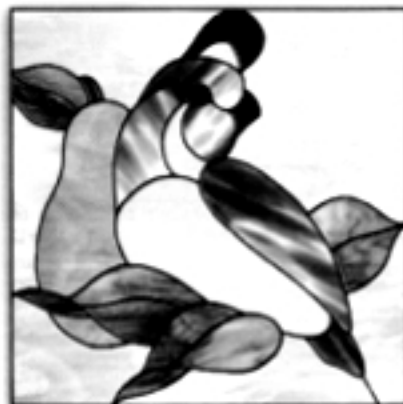

Christmas Traditions in Glass

Spectrum Glass Suggestions

- | | |
|--------------------|------------------|
| A. 6000-8TCC | Pearl |
| B. Spirit/6115-75F | Sedona |
| C. 6022-82CC | Congo |
| D. 826-715 | Lime Green/White |
| E. 210-715F | Ivory Opal |
| F. 1009S | Black Smooth |

Note how the pattern of the Sedona can be used to create the look of feathers, and the light and dark sections of Congo can illustrate light and shadow!

Make the stand-alone suncatchers or create the 12-panel glass quilt as shown in the book.
